Buffalo Chip. A Small City During The Sturgis Rally.

Published by Cyril Huze July 8th, 2009 in Editorial and Events.

The 69th Sturgis Bike Rally is almost here. The legendary Buffalo Chip is going to turn again into a small city where you can sleep (500 acres of campground) where you can eat (Stage West Café, Sturgis Rider Café, Domino's Pizza, Porky's, The Buffalo Grill, Sandwich Shop, Burger Express, The Greek, Chubby Churros), listen to music (Aerosmith, Chuck Berry, Toby Keith, George Thorogood), visit major vendors (Victory Motorcycles, Indian Motorcycles, Sucker Punch Sally's), etc. For more info and reservations, go to [Buffalo Chip](#).
