In their never ending search for providing Sturgis rally goers a variety of entertainment the Buffalo Chip Campground has announced the addition of a couple items to the schedule. World famous motorcycle photographer Michael Lichter will be hosting the 9th "Motorcycles As Art Exhibit" at the Chip. The exhibit of images will be from August 1 - August 8 2009. Any exhibit of Michael's work draws fantastic crowds.

On Tuesday August 4th crowds at the Buffalo Chip Campground stage will be having a flashback as Cheech and Chong perform their "stoner" comedy routine. This performance by the iconic '70s comedy duo will be part of their "*Light Up America Tour*", man. For more info go 'ere man, www.buffalochip.com
