Thursday, July 09, 2009

The Legendary Buffalo Chip has teamed up with the true manufacturers of "Old School," Sucker Punch Sally's, in conjunction with American Cycle and American Bagger magazines, to pull off a custom bike give-a-way for the Sturgis Rally that blazes its own path.

This Sucker Punch Sally's Custom "Slim" will feature a 115-inch Revtech engine from Custom Chrome, a belt drive from BDL, and a hand-made tooled leather seat from Eastern Fabrication. The bike will feature a one-off paint job from Steel Visions Design as well as quality parts from top manufacturers including Hawg Halters Inc, Lyndall Racing Brakes and support from Bikernet.com.

You don't have to pay a dime to win the ultimate Sturgis Motorcycle Rally giveaway so take advantage of this extra rally reward!

Be sure to register for the bike and follow the build page-by-page in the upcoming issues of American Cycle and American Bagger magazines. Designed with one lucky winner in mind – this custom built, one-off, legendary bike is yours to win. Not only will you be laying down rubber with this retro-styled, race inspired motorcycle, you will be doing it in style with a custom helmet from Biltwell, Inc. and a 6-month Progressive Insurance policy from The Chip.

Fill out an official registration card and submit it for the chance to take it home August 7, 2009. Official online entries will be accepted until August 1, 2009.

Official Rules:

No purchase necessary. Mail-in entries must be postmarked by 7/15/09. Bike Giveaway contest is valid in the U.S. only. Winner need not be present to win and will be announced on 8/7/09. Winner will be notified via mail at the address supplied. See official rules at www.buffalochip.com for more details. Void where prohibited. Entry must be completed in its entirety to be valid. Winner will be drawn at random on August 7th, 2009, and awarded at the Legendary Buffalo Chip in Sturgis, South Dakota following the headliner concert.

The Legendary Buffalo Chip, *the place* to be at Sturgis, will be giving away this custom motorcycle built by Sucker Punch Sallys at this year's rally.
