

### ***LA Choprods' Pinche Gas Tank***

Finally, the "Pinche" gas tank is available to the public from Gard Hollinger and the crew at LA County Choprods. This unique gas tank features an inset panel detail on each side and is designed to mount "Frisco" style (high on the backbone of the frame). The one-piece bottom minimizes the chance of leakage and features hidden frame mounts. You can choose one of their gas caps, and it's location on the tank, as well as the style and location of the petcock bung. Comes complete with all necessary mounting hardware and priced at about \$840.00. Killer paint by Buck Wild not included.
