

LA CHOPRODS "PINCHE" GAS TANK

Finally The "Pinche" Gas Tank is available to the public. This unique gas tank features an inset panel detail on each side and is designed to mount "Frisco" style (high on the backbone of the frame). The one piece bottom minimizes the chance of leakage and features sunken mounts. You choose one of our gas caps and it's location as well as the style and location of the petcock bung. Comes complete with necessary mounting hardware. MSRP: \$840.00 (Killer paint by Buck Wild not included). For info visit www.lachoprods.com

The image shows the LA Choprods "Pinche" Gas Tank, a large, gold-colored, teardrop-shaped tank with a black inset panel. Below the tank are several components: a gold-colored gas cap, a petcock bung, and a set of mounting hardware including a large bolt and a smaller bolt.
