

**LA COUNTY CHOPRODS:  
CHOPPER STYLE HAND CONTROL MASTER CYLINDER**

These clean looking, compact master cylinders are available for both the left side and right side with a choice of 14mm (9/16") or 17.5mm (11/16") bores. They fit 1" handlebars, are equipped with leverage adjustment to control the feel of the M/C and can be fitted with optional adjustable levers as shown. All ISR master cylinders use only DOT 4 brake fluid. Comes in aluminum or satin black. For more information, call 310.353.2467 or visit [www.lachoprods.com](http://www.lachoprods.com).
