

## DOG HOUSE ROCK AND ROLL

In case you missed it, the Seminole Hard Rock Roadhouse stopped by the Dog House Bar and Grille on Main Street in Daytona during Biketoberfest. It was a multi-day/night party with rockin' music, hot women, amazing bikes, and a great vibe. Thursday night was the Biker Fusion event hosted by Billy Lane, Christian Clayton, and Shelly Rossmeyer. The event gave the public the opportunity to mingle with the industry's A-list while raising money for Soldier's Angels, an organization committed to increasing the morale of deployed troops, helping veterans return home healthy, and bringing comfort to wounded soldiers. The Biker Fusion event raised more than \$10,000 in proceeds for the Soldier's Angels organization.
