The Biker Fusion Party held March 5th at the Dog House Bar on Main street in Daytona Beach raised over \$24,000. All the proceeds from the event went to the Soldiers Angels organization. This organization lets our troops overseas know that we haven't forgotten them by providing a backpack full of necessities that are in short supply where they are stationed.

Also touches of home and hand written letters are included in the backpacks.

The \$24,000 was raised by sponsors, donations and auctions. To raise more funds a Hard Rock Fender guitar used by singer Avril Lavigne and hand painted by hot rod artist Sara Ray will be auctioned off online. To bid or get updates of this auction you can go to www.suckerpunchsallys.com or www.soldiersangels.com where you can also make a donation.
