

SUCKER PUNCH SALLY'S HOT ROD

Based on a vintage chopped Shovelhead, this bike features a 17-inch wheel in the rear 93" S&S Shovelhead and a raised axle height which provides superior handling. It's a crowd-favorite with hand-machined brass accents on the foot controls and a 5-speed kicker. MSRP \$27,995

SUCKER PUNCH SALLY'S SLIM BOBBER

This narrow-tire bike is made for people who need lots of horsepower on a very maneuverable, nimble chassis. Paying homage to bikes of yesteryear with an Avon speedmaster tire up front and Shinko in the back, as well as a ribbed rear fender, this bike screams old-school style.
\$25,995

SUCKER PUNCH SALLY'S TRADITIONAL BOBBER

Starting at just \$19,995 the Traditional Bobber is the flagship of the Sucker Punch Sally's line-up. It's a modern take on a traditional classic and as with all SPS bikes, there's no additional charge for paint, so you can feel free to add traditional flames or go with simple flat black.
